Beschreibung

Madnezz... a balance of power...

between brightness and darkness...

An energy vortex which enlightens you...

or is it all just locked inside your imagination...

Each sense will be heightened by the pleasure that surrounds you...

and will turn your fantasy into madnezz...

So unlock the key to unite eternally and eternity...

in this beautiful realm of extasy...

Madnezz – Pure Unstoppable Raw Power

Saturday March 30th 2013 a new concept of harder house Music will be introduced in the South of the Netherlands. In the middle of Europe, a central point of Belgium, Germany and the Neterlands the Mecc in Maastricht is the place to be. It’s the location for the first edition of the brand new hardstyle concept Madnezz!

It will be a nice ending of the winterseason, cause during this night wintertime will make place for summertime and the clock will go forward one hour.

The organisation is no stranger in this scene and has done many productions at different levels and music styles throughout a time period of more than 15 years. Accurate preparations have taken place to make sure that this concept will be a welcome completion to the further indoor hardstyle concepts in Belgium, Germany and the Netherlands.

The focus is on one stage and one show! All new techniques of led/décor, laser, lights and special effects will be presented. Madnezz, what does it mean? It’s obvious. Everyone has got their

own specific feeling about it. And the way it will be presented can only make this feeling stronger and stronger! As for the artists, they can work their own vision into their sets of the internationally popular hardstyle sound. Just give yourself a chance to get surprised! Line up

With carefull consideration the line-up has been composed and consists of artists who have earned their stripes in the past years, one by one. All this in combination with the newest generation hardstyle artists who for sure will be at the hardstyletop worldwide in a matter of time. The musical repertiore will be from hardstyle to rawstyle and everything in between. So you know what to expect!
