NL.x Prdctn presents:

FRNCHCR BTCH! – In for the Kill

For the 24th of november I have made a new plan that will unfold in Oberhausen. It is a dark and fast plan but for those who listen, it means everything. After years in darkness the gabber soldiers combine their forces and cross all borders. No one can stop us. We are the movement!

Be part of the movement on 24-11-2012 in the Schacht 1 Oberhausen.

A international line-up is gathered to give ground support:

From France:

-Le Bask (Frenchcore Sill vous plait, The Qontinent, Footworxx)

-Cardiak (Nocturnal, Frenchcore Sill vous plait, Icon,Pandemonium)

Both producers have earned their stripes many years ago in the Tekno and Frenchcore scene back in France. With a big popularity within the Dutch gabber scene these men will supply Oberhausen with the true Frenchcore sound!

From Holland:

-Klaplong (Nocturnal, Hardware Machinery, Audioblast etc)

-Joke Vs Dark Rhythm (Digital Movement etc)

-Audio Assassinators (Full time Hardcore fuck-ups)

From Germany:

-Zorc (Pokke Herrie, Nocturnal, Hardcore4ever)

-Mynotic (Pokke Herrie, Nocturnal, Cardiak Arrhythmia)

-Vinyl Raider (Hellsound)

-Psyhfucker (USR special guest)

Hosted by: Mc Shorty

All this French violence will start at 21:00 until 09:00 in the morning. Everybody that is still there at 09:00 and still is ‘Hakken’ like a Hardcore motherfucker will be praised.

Presale ticket price: €10,- and the door price will be €15,-
