BKJN presents Together we are Hardcore festival (NL)

On the 21st of May, all facets of the Hardcore scene will be spread accross many diverse stages.
You will have the chance to discover and enjoy your favorite Hardcore subgenre in the 16 hours the party will be taking place. With a massive outdoor area which room for many visitors and 3 indoor stages close to the water, an atmosphere will be created much like that of the legendary Gabberland party.

BKJN events can now proudly present the line-up who will be offering you 16 hours of pure musical madness. Be prepared for some sick Hardcore!

The Mainstage will be all about Mainstream Hardcore as well as the more Industrial and harder variants. The open area stage will be open until 11:00pm after which it will go down deep into the temple where the party can continue until the early hours.
