Pandemonium Festival 2014 – Race Circuit Zandvoort – 21-06-2014

After organizing the first edition of Pandemonium last year the second edition is well under way, to be held on Saturday June 21st. This year Pandemonium Festival will not be held on the Ouderkerkerplas, because the municipality informed us that increasing the programming was not possible. We were forced to drop certain area's in order to realize our vision for Pandemonium Festival 2014.

So that's why Cyndium has been looking for a worthy alternative for its festival, and we found it! Pandemonium Festival 2014 will be held on Saturday June 21st at the Race Circuit in Zandvoort.

Pandemonium Festival is larger this year and is divided into the following five areas:

Area 1: Pandemonium (the darker and rougher side of Early Hardcore)

Area 2: Paradox (Millennium Hardcore)

Area 3: Nocturnal (Frenchcore)

Area 4: Chamber of Terror (Early Terror)

Area 5: Industrial Hardcore (Industrial Hardcore)

Line-up will be published prior to ticket sale!
